imageCLASS MF4890dw Laser Multifunction Printer

Wireless Black & White Laser All-in-One with All-Mode Duplex

The imageCLASS MF4890dw is a multifunction workhorse. With Duplexing capabilities on all functions, fast print speeds and a 50-sheet duplex ADF,[1] this wireless[2] multifunction printer increases office efficiency.

- **Efficient and eco-friendly paper use: built-in all mode duplex.**
- **Shared productivity with wirless connectivity[1] and print/copy speeds of up to 26 ppm/cpm.[3]**
- **Easy access to eco-friendly copying options, as well as scanning features, with Simple Solution Keys.**
- **Easy navigation through menus with the user-friendly 5-line LCD and a tiltable control panel.**

DUPLEX VERSATILITY

Duplex Versatility

Customers can save time and let the MF4890dw go to work for them thanks to the automatic 2-sided printing, copying, and printing of received faxes. They can also eliminate one-page-at-a-time copying or scanning with the 50-sheet duplex ADF.[1]

QUICK 1st PRINT

Wi Fi CERTIFIED

High Performance + Wireless Connectivity

Designed for efficiency, the MF4890dw has a first copy out time (FCOT) of just 8.7 seconds[4] and a first print time of just 5.8 seconds[5] with Canon's Quick First Print technology. Save time in the office with fast printing and copying speeds of up to 26 ppm/cpm.[2] The MF4890dw can also be shared over a wired or wireless network.[1]

SIMPLE SOLUTION KEYS

Save Time with Simple Solutions

Simple Solution Keys give users quick and easy access to the printer's most useful functions. These keys make processes such as push scanning easy to do and put eco-friendly copying options at the single touch of a button.

5 Line LCD

Printing, Copying and Faxing – Made Easy

A tiltable control panel, along with a 5-line LCD screen with animation, makes it easy to navigate through the MF4890dw's menus. This means less time searching and more time tackling projects.

Mac® OS X 10.5.8 and up

Environmentally Conscious www.usa.canon.com/green

- **Toner Cartridge Recycling Program** - Canon toner cartridges are 100% recovered with zero landfill waste.
- **Energy Saving Mode** - When the MF4890dw enters Energy Saving Mode, it has a low power consumption of 2.1 watts of energy.

SALES TIP!

Be sure to recommend an extra Genuine Canon toner cartridge so the office has one on hand whenever needed.

The MF4890dw includes a starter cartridge, so customers can start using the printer right away.

Why Choose the MF4890dw

Over the Lexmark X264dn

- Save plain paper with the MF4890dw's built-in All Mode Duplex. This includes print, copy, scan and fax capabilities.
- Eliminate messy toner changes and replace only one consumable with the Single Cartridge System.
- Save energy with 2.1W usage in Energy Saver Mode.

Over the Brother MFC-8480DN

- Share the MF4890dw with multiple individuals using its built-in Wi-Fi connectivity. [1]
- Make scanning easy and use more eco-friendly copying options with the MF4770n's Simple Solution Keys
- Save energy with 2.1W usage in Energy Saver Mode.

1 Based on 20 lb. bond paper.
2 Wireless performance may vary based on terrain and distance between the printer and wireless network clients
3 Print speed is based on internal testing. Print speed may vary depending on the number of copies selected, as well as on the settings for size, type and orientation of paper.
4 Letter size, after being restored from energy saver mode.
5 May vary depending on the output environment.
6 The Public Switched Telephone Network currently supports fax modem speeds of 28.8 Kbps or lower, depending on telephone line conditions. Sending and receiving fax machines need to conform to ITU-T v.34 guidelines.
7 Based on ITU-T #1 Chart (standard mode).
8 USB 2.0 Hi-Speed requires Windows® 7, Windows Vista®, Windows XP/2000 or Mac OS X operating systems.
9 Warranty program is subject to certain conditions and restrictions. See the warranty card for details.
